

**AL BUKHARI**
البخاري Air Conditioning

HEATING • VENTILATION • AIR-CONDITIONING

AL-BUKHARI is providing Residential & Light Commercial Air-Conditioning Solution since 2016 in corporate sector, commercial buildings, Hospitals, Hotels and all other sectors. We have well trained and experienced execution team for install the systems on demand.

We care the assets of our customer as our assets. For operation and maintenance of the Air-Conditioning systems, we have well organized & experienced team to solve the problems quickly and turn the system in working.

We find the best technology from whole the world and give it to our esteemed customers. We believe that our customer's satisfaction is our marketing.

Since formation, the company has specialized in installation and maintenance of air conditioning, cooling, ventilation and central heating systems in buildings. As AL-BUKHARI began to approach different segments and quickly gained an excellent reputation in the sector, causing other industries to start calling on the company. AL-BUKHARI, has been a family owned and continuously growing business since 2019. With technical knowledge, local know-how and an ability to adapt, we have consistently proven ourselves to be a strong and reliable partner.

AL-BUKHARI (HVAC)

Its humble beginning from a user-end selling turned into an acclaimed HVAC solution provider. The group interests have diversified into project management, O&M services, energy. Our priority is to introduce sophisticated products with innovation and having competitive edge of optimum performance. Our building blocks are responsibility, quality, product ownership, customer satisfaction, employee's career development, their health & safety and over and above a culture of conscience, dedication and honesty is fostered at our every work place.

AL-BUKHARI caters to large commercial and heavy industrial customized air-conditioning market in Pakistan. With a business network across 9 cities in Pakistan, AL-BUKHARI offers the internationally recognized McQuay, Marley, Thermax, Carel and Clint for the commercial market, in 2015, AL-BUKHARI launched DAIKIN which is the world leading in manufacturing and supply of HVACR equipment.

We deals in these products:

- VRF Systems
- Ducted Split Air-Conditioners Floor
- Standing Air-Conditioners Ceiling
- Exposed Air-Conditioners
- Fan Coil Units Chilled Water Wall
